Hello friends and family. It is now August and we are more than halfway through the year 2020. It sure has been an interesting and different year. With the changes that we have had to adapt to, we are all still fighting together to stay safe and keep COVID-19 under control.

Next month is our annual walk to end Alzheimer's Disease.

Normally by now we would have been selling raffle baskets and collecting donations to help the cause. Due to COVID-19, that has been put on pause. At this time, we are still planning to do the Walk in September, but that could change. We will keep everyone updated as it gets closer. We are still selling our Alzheimer's T-shirts regardless of whether we walk, and

we can distribute them in a safe and sanitary way. Please purchase one to help with the cause and to also make a statement that we're still unified as we fight through Alzheimer's, COVID-19, and many other unfortunate illnesses that have no cure yet. If anyone has any questions concerning the walk or if you'd like to buy a T-shirt, please contact Kristan, Dawn or Traci.

We also want to thank the families that have come to do outside visits with loved ones. We appreciate that, with the guidelines in place, you all are respecting and keeping the distance to ensure everyone's safety.

"Worry does not empty tomorrow of its sorrow, it empties today of its strength."
– Corrie Ten Boom

Letter from Administrator

The Alzheimer's Walk will be held on September 19th this year.

Please let us know if you would like to join us in walking and/or donate to our team! Because we are still practicing social distancing, we will not be going out in the community asking for baskets or donations. At this time, it has not been cancelled, and if that changes, we will update everyone. We will still send any monetary donations directly to the Alzheimer's Association if the walk is cancelled.

You can donate or sign up to walk with our team at: bit.ly/Alz2020

Happy Birthday

Best wishes to our staff and residents celebrating birthdays this month.

Resident News

We have a new resident who will be joining us in a couple weeks! Her name is Arlene. She is Jerry's wife. We are excited to welcome her to our family.

The residents have been enjoying window visits, Skype calls and letters that everyone has been writing. If you would like to set up a Skype call, please email Dawn at dschroeder@carriagehealthcare.com or Kristan at kschaack@carriagehealthcare.com.

JOIN US: Wellington has their own Facebook page. You can find us if you search "Wellington Place at Whiting." There is information regarding upcoming parties and events, as well as pictures from our recent activities. Wellington is trying to reach out to the community to inform them of who we are and what we offer. Our page displays recent updates, activities, and upcoming events to our loved one's families. So be sure to Like, Follow, and Share the page.

Facility News

We unfortunately have postponed our 2020 Summer Party due to DHS' COVID-19 visitor restrictions and social distancing policies. We have rescheduled a tentative "WELCOME BACK!" party in September for residents and their loved ones. There will not be a theme this year, but we will have photo opportunities for residents and loved ones. We will still need a head count beforehand, as we plan on having a catered meal for this event. Please check back for a date. Sorry for the inconvenience, and we miss you all dearly!
